

## Occupational Therapist – 11-16-17

LifeCircles, A Porter Hills PACE Partnership, is hiring a full-time Occupational Therapist to join our innovative, all-inclusive geriatric health care program in Muskegon, Michigan.

The Occupational Therapist will be part of a dynamic interdisciplinary team based model of care focused on identifying what matters most to our participants and supporting their functional independence to achieve their desire to remain at home.

A successful candidate will demonstrate the capacity to be an engaged team member and have excellent functional assessment skills, be experienced in care plan development/management, and be creative in their approach to engaging participants and support systems in their plan of care. This candidate will have excellent customer service and critical thinking skills, will be flexible, team-oriented, self-directed, and actively engage in the pursuit of quality outcomes.

A current certification as an Occupational Therapist Registered and current licensure as an Occupational Therapist in the state of Michigan with 1-3 years of experience working with frail seniors is required.
